

## **Vision Statement**

### **The Chantry School Sports Partnership**

Working collaboratively, the Cluster PE Partnership believes that Physical Education, School Sport and Physical Activity have a vital role to play in physical, emotional, social and intellectual development. These elements are important in giving children and staff the knowledge, understanding and tools in order to make a positive impact on physical and mental health and well-being.

Through the Partnership children will have the opportunity to take part in a wide range of sports and physical activities, carried out in a safe and supportive environment, where effort and hard-work, as well as achievement, is celebrated. All schools within the Cluster are committed to the sustainability and success of the Partnership.

#### **We aim for**

The engagement of all pupils in a broad range of sports and regular physical activity, including increased participation in competitive sport.

The profile of PE and sport being raised across the school to ensure pupils have a lifelong love of physical activity.

Increased confidence, knowledge and skills of all staff in teaching PE and sport.
