

Early Intervention Family Support

Worker

My name is Wendy Pountney and I am an Early Intervention Family Support Worker for your school.

Bringing up children can be really hard work. Sometimes we need a bit of extra help and support and that's where your Early Intervention Family Support Worker can help.

I am here to listen to you if you have any concerns or difficulties within your family; such as choices and consequences, bedtime routines, divorce/separation/step families, routines, self-esteem/confidence building, anger issues, bereavement, friendships and much more.

These concerns and difficulties may be having an impact on your child or children, and I can work with you to help improve the situation.

I am available for a chat and you can contact me on 07983637152 or through your school.

There are leaflets available in reception which gives further details about our service and how we can help you.
