Stay and Play

Before and After-school
provision for children at Astley
CE Primary School

What is Stay and Play

We provide care for your children, before and after school, from 7.45am until 6pm every school day.

Our early risers are welcomed into school with a quiet and calm start to the day. A healthy breakfast of cereal, toast and fruit is available to those attending before 8:40am. The children are also given an opportunity to enjoy the outdoors before the school day starts.

The after school children can enjoy a healthy snack such as toast, crumpets, fruit, vegetables sticks, crackers and cheese, yoghurts etc. During the winter hot drinks and soups will be provided and during sessions they will be able to access water.

Stay n Play does not claim to offer an evening meal, but we aim to provide something nutritious to keep them going until they get home, following the Government food and nutrient based standards.
